

Rajan Dental launches advanced cone beam CT facility

Chennai, Nov 16: Rajan Dental took a significant leap in advanced dental imaging with the launch of its 2nd Cone Beam CT facility at Dr Radha Krishnan Salai. The cutting-edge diagnostic technology was inaugurated by Srimat Swami Gautamanandaji Maharaj, President of Ramakrishna Math & Ramakrishna Mission, who graced the occasion and imparted his blessings for everyone to lead a healthy life.

Carestream CS 9600 Cone Beam CT machine, manufactured in the USA, is a highly advanced imaging system that enhances diagnostic accuracy in dental and maxillofacial care. This device provides high-resolution 3D imaging with customisable fields of view, intelligent patient positioning to reduce re-takes, and metal artefact reduction for precise imaging around dental restorations. Advanced software modules—including implant planning, airway analysis, and orthodontic tools—make it perfect for comprehensive treatment planning. With

its intuitive interface and efficient workflow integration, the CS 9600 supports superior diagnostics and elevates patient care in digital dentistry.

The newly launched Carestream CS 9600 Cone Beam CT machine is particularly valuable for implant planning in patients with single or

multiple missing teeth, complete tooth loss, or severely loose teeth in both jaws. It also benefits cases involving conditions such as ectodermal dysplasia and other scenarios requiring tooth replacement with implants, facilitating FULL JAW-FIXED DENTURES. Additionally,

this advanced technology supports complex procedures like ZYGOMATIC IMPLANT planning.

The launch event was graced by Dr. Gunaseelan Rajan, Medical Director of Rajan Dental, along with Dr. S. Jimson, CEO, Ms. Sathya, Vice President, and doctors of the institute

FedEx Corp releases annual economic impact report

Chennai, Nov 16: FedEx Corp. released its annual economic impact report, analyzing the company's worldwide network and role in building prosperity in local communities during its 2024 fiscal year (FY 2024). Produced in consultation with Dun & Bradstreet (NYSE: DNB), a leading provider of business decisioning data and analytics, the study underscores the 'FedEx Effect'—the impact FedEx has on accelerating the flow of goods and ideas that generate economic growth globally, including

substantial contributions in India.

“At FedEx, we have a vision to make supply chains smarter for everyone by leveraging advanced data and technology to better serve our customers and their customers, thereby extending our reach and impact,” said Raj Subramaniam, president and CEO, FedEx Corporation. “The ‘FedEx Effect’ represents our relentless commitment to excellence, economic growth, and the communities where we live and work.”

The report highlights FedEx’s

role in strengthening India's logistics infrastructure and promoting seamless global trade. FedEx directly contributed 0.1% to net economic output in the Transportation, Storage, and Communications sector in the region. In addition, FedEx indirectly contributed an estimated USD 280 million to the region's overall economy in FY 2024.

“At FedEx, we're proud to be part of India's aspiration to lead on the global stage,” said Kami Viswanathan, regional president, FedEx MEISA.

MATTER opens Experience Hub

Coimbatore, Nov 16: MATTER Group, a leader in EV technology and energy storage solutions, inaugurated its first-ever Experience Hub in the dynamic city of Ahmedabad.
