

Novel twist: Books leaping to OTT platforms

In the ever-evolving landscape of entertainment, literature continues to be an inspiration for filmmakers. With the rise of Over-the-Top (OTT) platforms, adaptation of novels into binge-worthy series or cinematic experiences has become a trend that is captivating audiences worldwide.

From mystery to romance, from drama to fantasy, the journey from page to screen offers a promising exploration of storytelling in its various forms.

One notable trend in the area of OTT adaptations is the spotlight on contemporary novels that delve deep into the complexities of human nature and societal issues. Take, for instance, “Murder in Mahim” by Jerry Pinto.
